

# Life At Halcyon

At Halcyon, we take senior living to the next level by offering more than just a place to live. Each resident at Halcyon receives personalized care to fit their individual needs.

## • Hospitality

Access to amenities designed to make life more enjoyable and comfortable. We offer beautiful spacious apartments in multiple sizes and layouts for both assisted living and memory care. Our caring staff is available to help with all your needs.

## • Dining

At Halcyon Senior Living, we have Chef prepared fresh foods to create a dining experience that preserves dignity, enables choice, and involves family and friends.

## • Activities

We offer opportunities to engage, enjoy, express, learn, and grow each day. Our dedicated Life Enrichment team develops an extensive calendar tailored to your specific needs and preferences.

## hal·cy·on noun

### Definition of *halcyon*

: a place of happiness, prosperity and tranquility - inspired by the mythical bird said by ancient writers to breed in a nest floating at sea at the winter solstice, charming the wind and waves into calm.

## Exceptional Senior Living

There are plenty of active seniors who are ready, willing and able to take on the world—with just a bit of help. Whether you're living a mostly independent lifestyle, or you need an extra hand with some day-to-day activities, Halcyon at West Bay provides just the right mixture of independence and care.

You'll find comfort knowing that a Nurse is on staff 24 hours a day, seven days a week. Plus, you'll enjoy an apartment that is warm and welcoming with great natural light and plenty of room for the grandkids to visit.

Our trained caregivers assist with medication management, daily living activities, engaging activities, and coordination with outside healthcare providers.

## Reflections

### Secure Dementia Community

Reflections at West Bay is our memory care program designed to help your loved one feel a sense of belonging and purpose, while still preserving their identity and individuality. Featuring a safe and secure environment, our memory care community has the same look and function as a private home. Seniors are able to participate in our life enrichment programs which encourages their current skills through research based activities.
